Main Character Karin

A bright and energetic girl.
The model setter in her class.
A girl with hair that is very fun,
but very hard, to draw. To
the readers who draw and send
their drawings, all Karin, I have
to say I'm sorry for making
her have this kind of hairstyle!
Thank you!! I have a feeling that
I made her earlier than I was
planning to. For this cat,
I feel and have "Parrot's
Minds." I have never felt this
way before. Why would that be?
Maybe it's because she is so
dandy!

I sat into me!

I thought my heart won't change.

I didn't even have to think of any reasons why I loved Sakai.

I just loved him every day as if it was natural.
